

**Story and Songs**

This week we will be reading the story 'The Little Yellow Chick.' We will also be reading lots of other books relating to baby animals. Chat to your child about the animals you might find on a farm.

**Maths Challenge**

This week we will be using our careful counting skills when sorting and counting farm animals. We will compare two amounts saying which is more and which is fewer.

**Our challenge of the week:**

To look carefully at the eggs in the incubator and predict what might happen to the eggs and what might be inside. We will be doing lots of discussion about this throughout the week.

**Our theme this week is:**

**Chicks / Farms /  
Baby animals**

**50 Things To Do Before You're 5**

10. Sharing Books! On Thursday it is World Book Day so why not snuggle down together and read lots of lovely story and nursery rhyme books.

**Creative Challenge**

This week we will be looking at photographs of baby farm animals and using paints to create our own pictures. Can your child create a picture of their favourite farm animal at home?

**Parents as Partners- helping your child to grow.**

- A big welcome back to all of our nursery families, what a fun-packed week of learning we have had. Well done to all of the children for settling back into our routines.
- Mrs Wheeler was very busy on Tuesday, making delicious pancakes for all the children. The pancakes were topped with some very interesting combinations including banana, chocolate spread, sugar, cheese, syrup and cream!
- We are very excited to share the news that we will be having a special delivery of some chicken eggs on Monday. Please do not tell your children what is inside the eggs as we would like all the children to make their own predictions. We will be eagerly waiting, watching and discussing the changes to the eggs. We will keep you updated via Twitter, please look out for our updates and photographs!
- On Thursday 4<sup>th</sup> March it is World Book Day. Children can come to nursery dressed up as their favourite book character. We will be having a busy day taking part in lots of activities linked to stories and rhymes. We will also be reading our favourite books to the children and talking about why we like them.
- We would greatly appreciate it if each child could bring in £1 to cover the costs of our weekly baking activities. Thank you to those who have already brought it in.

**Thank you for your support,**

**Mrs Thornton, Mrs Knowles & Mrs Wheeler**
