

Wellbeing & Nurture

Outcome: Respect for self and others

Acquisition of Language

Outcome: Independent lifelong learners

Experiential Learning

Outcome: Lively enquiring minds

Partnerships

Outcome: Positive contribution to society

Healthy Body, Healthy Mind

Outcome: Good physical and mental health

Belong: To learn about the Wakefield Hepworth Gallery.

Aspire: To improve our art skills.

Achieve: To create a piece of art we are proud of.

Reading: Please bring your book bag and reading book every day.

If you have finished your reading book, please pop your book and Reading Record in the basket to be changed.

PE Kit: Please bring your PE kit to school every Monday and take it home on a Friday. Ensure children have outdoor and indoor kit.

Homework and spellings: Handed out Friday to be returned Wednesday.

Our spelling test will be on a Thursday.

Library: Children have the opportunity to visit the school library on a Thursday and change their books. Please ensure children return their library books every Wednesday.

RE - To develop our understanding of religion, we will be learning we will be learning through the topic "Who is Muslim and what do they believe?"

PSHE - Through PSHE, we will be learning to work with others to achieve a final goal through the topic Hopes and Dreams.

English - As readers we will be reading "The Day the Crayons Quit!" to inspire our own letter writing. We will also be reading "Katie and the Starry Night" and describing the famous painting by Vincent Van Gogh.

Spellings - We will be continuing to use No Nonsense Spellings to learn new spelling rules and strategies for remembering how to spell Year 2 spelling words.

Why is the Wakefield Art Gallery called the Hepworth Gallery?

Maths - As mathematicians, we will begin to identify notes and coins. We will be learning to solve problems with money.

We will be learning the two, five and ten times-table and using this knowledge to solve multiplication and division facts. This will help us to achieve in Diamond Dash.

Science Enquiry:

We will be learning about properties of a range of materials and exploring how they can change their shape.

Working Scientifically:

We will be using simple equipment to carry out our own investigations.

Computing - As Computer Technicians we will be using Purple Mash and the 2 Simple Software to create our own art work using different art styles and effects.

PE - As sports people we will be beginning to develop the skills needed for sports that involve hitting, catching and running. We will also be learning new techniques in gymnastics.

Art and Design - As Artists we will be learning about the work of Barbara Hepworth. We will be taking part in a paper sculpture workshop and clay modelling workshop to create sculptures, just like Barbara Hepworth.

History - As Historians we will learn about the life of Barbara Hepworth and Henry Moore and understand why they are remembered today.

Design and Technology - As designers, we will be beginning to look at toy vehicles.

We will be writing opinions of toy vehicles and think about the purpose and user of each vehicle.

We will be designing our own toy vehicles for a specific user and create labelled drawings.
